

Shimon Funeral Home offers the use of our chapel for your family to continue to be with other relatives and friends following services through food and fellowship.

Use of the chapel fee will be incurred as follows:

\$295 for meals

\$225 for cake and coffee

We include paper goods (plates and napkins), utensils and coffee cups for up to 80 of your guests. We include coffee and water during the visitation and during your luncheon as well.

For sanitary reasons and convenience of your guests we recommend canned soda and individual bagged chips. We also recommend Tupperware or Ziploc Bags for afterwards and we will be happy to assist in packing up any leftovers.

Additional items that may be desired: juice, milk, and condiments.

We welcome friends and relatives to bring in desserts, while other items must be brought in through a caterer. Most families choose to use MJ's Market & Catering, though you are more than welcome to use any caterer/restaurant that you choose.
